Option #1 - Standard - This sticker indicates "REG" regular price and "DIS" discounted retail price below it. If the item is on Bag Stuffer sale, "DIS" is Bag Stuffer retail.

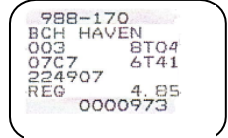

Option #2 - Reverse - This sticker indicates "REG" regular price and Bag Stuffer sale price listed in the shaded area *backwards*.

Option #3 - No Sale Price - This sticker indicates "REG" regular price and "DIS" Discounted Price, disregarding the Bag Stuffer sale price.

Option #4 - Discounted with sale in Reverse - This sticker indicates the discounted real retail price as "REG" and the Bag Stuffer sale retail in the shaded area *backwards*.
